

2021 National Team Championship North City Squad

North City Tenpin are pleased to announce the conclusion of trials for the first step of our selection process for the 2021 Teams Championships Tournament, to be held at North City Tenpin in March

We wish to thank everyone who trialled for us for their efforts and encourage you all to keep training and working hard with a view on making future teams with us.

Those who have been unsuccessful at this point are now eligible to enter the draft for the tournament – please see Chris or Ally for more information.
